This letter is to inform you of our intent to change the Taiwan Semiconductor orderable part numbers for the attached list of items. This change is only a change to the Orderable Part Number, the Taiwan Semiconductor part number will not change. The physical part, its markings and the way it is packaged will not be affected by this change whatsoever. For example, if you purchased a part packaged in a 750-piece 24mm 13" plastic reel, the new orderable part number will be 750 pcs on a 24mm 13" plastic reel.

If you have any questions please do not hesitate to contact our Distribution Sales Manager Chris Futerer, chris.futerer@tscus.com.

Thanks so much for your continued support of Taiwan Semiconductor.

Sincerely,

A handwritten signature in blue ink that reads 'Roya Colwell'.
