2. Description of the Change

For the Han® 3 HPR housings and covers for the hoods, the existing contour of the o-ring seal in the mating area will be changed to a round o-ring. In addition, the groove for the seal in the mold will be repositioned.

The packaging content of the accessory part number 09400009910 will be equipped in the future with the existing contour o-ring as well as the new round o-ring seal.

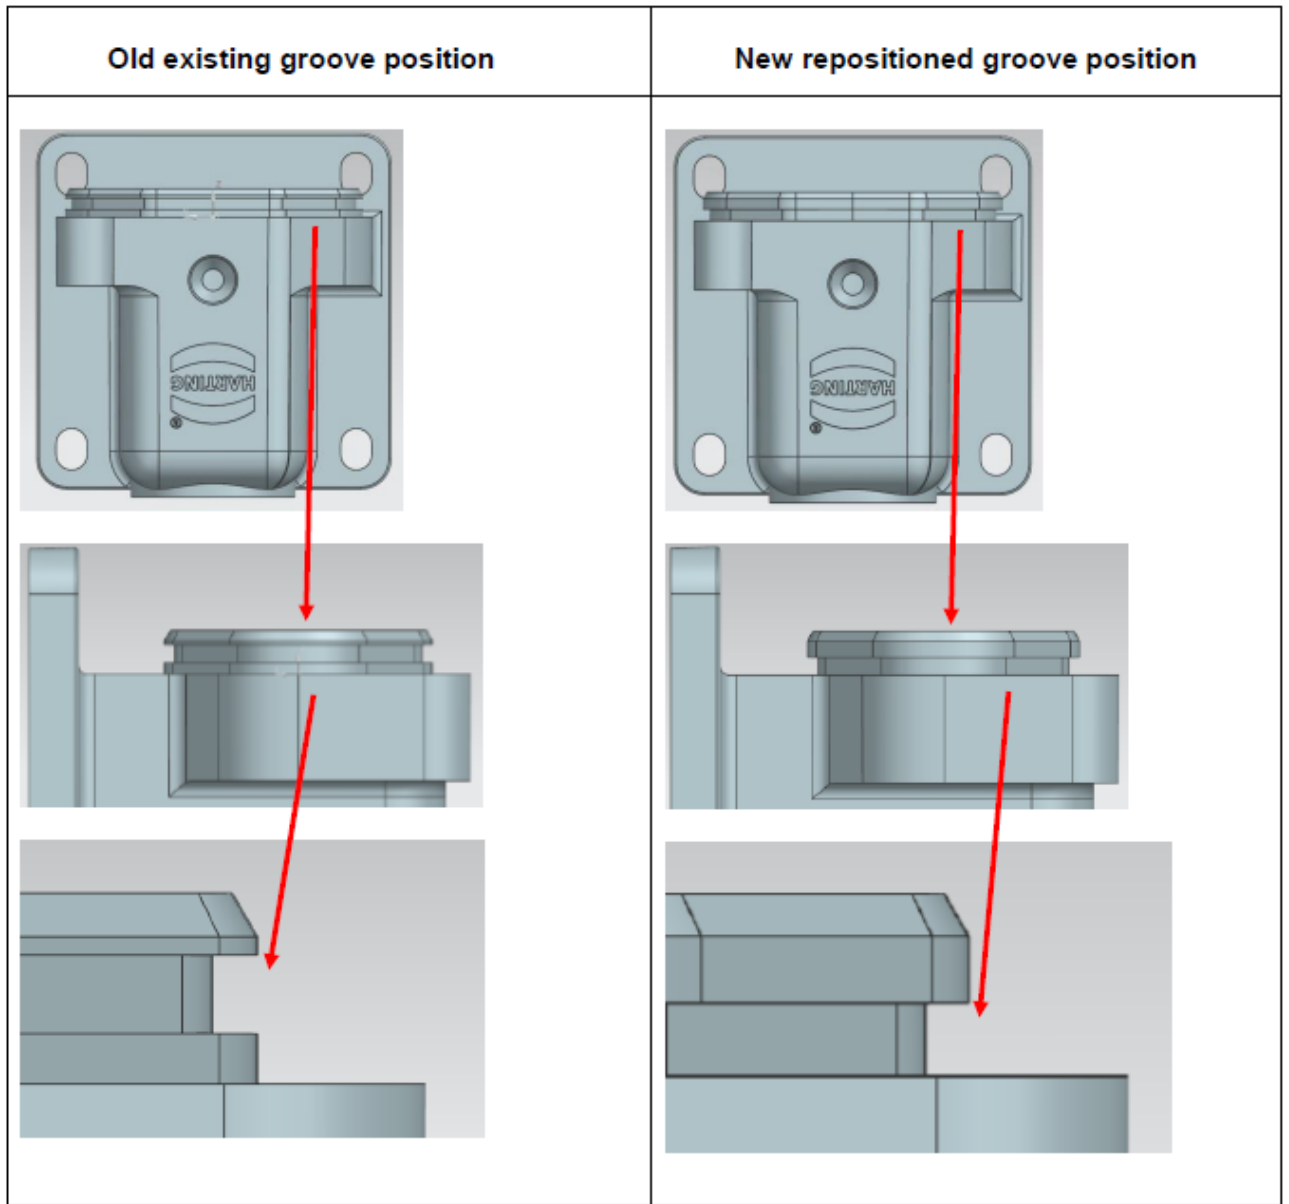

Old contour o-ring seal	New round o-ring seal
