2.2 *Possible replacement*

Whilst C&K have other CCM catalogue products which offer the same functionality there is not a direct replacement available for the CCM01MK2 & CCM01MK2 V2. Please contact your C&K Sales Representative for further assistance and guidance on selecting a suitable alternative.

2.3 *Reason for discontinuation*

The market requirement for this style of connector is low and it is now un-economic to maintain the dedicated tooling and specific machine set-up.

3. **Date of application**

- Last Time Buy: 18th September 2020
- Last Delivery: 18th March 2021
- Date of Discontinuation: 18th March 2021
